

Sir Thomas Abney Primary School

School Development Plan Priorities for 2014/15

We all shine

Teaching

To ensure all teaching in all key stages is at least good and improving.

To ensure all NQTs receive focused professional development to ensure the successful completion of their induction year.

Assessment

Implementation of the new policy of Assessment without Levels.

To ensure teachers assessment is frequent and accurate and is used to set challenging work that builds on prior knowledge, understanding and skills.

Special Educational Needs

To implement the changes to the SEN code of practice to ensure SEND pupils are making sustained progress.

Curriculum

Implementation of the new National Curriculum.

To ensure teaching provides a rich, relevant, broad and balanced curriculum which contributes to outstanding learning, knowledge and excellent attitudes to learning.

Leadership Development

To successfully recruit and support middle leaders to evaluate their subject area and ensure the overall quality of teaching is at least good and improving.
