# WHO WE ARE

**CarissCreative was founded in 2010 by Jodie Cariss (MA, BADth, HCPC), in response to a growing need for contemporary well-being support and therapeutic services, in a culture which sees pressure at an optimum and the mental health of our society in decline.**

We develop an ethos with and for our partners which accelerates awareness around the way people think, feel and respond, so that individuals and organisations can work at their optimum level of creativity and productivity whilst feeling good and seeing results. We pride ourselves on working with inspiring, inventive, think-outside-the-box individuals. We are a highly skilled, experienced team of practitioners, therapists and industry professionals. We have a shared goal of mobilising positive change and fostering mental and emotional wellness.

# ABOUT LAMDA IN EDUCATION

**Our LAMDA packages are a wonderful exploration into verse, prose and performance. CarissCreative works with a team of highly skilled tutors with a proven record in examination successes at Distinction Level. LAMDA's learning processes empower young people by providing them with a means to improve communication skills, increase self-confidence and develop strong social skills**

LAMDA has been offering practical examinations in communication and performance subjects for over 130 years. Today, they offer a performance and communications-based syllabus leading to accredited and non-accredited awards in the UK and worldwide. Almost 98,000 candidates took the examinations in over 30 countries last year, making LAMDA the largest speech and drama awarding organisation in the UK.

The examinations are about achievement and empowerment. Anyone can take a LAMDA exam, regardless of age, ability, ambition or experience. The ultimate aim is to provide every individual with the opportunity to develop the life skills they need to be a success, wherever their future takes them.

# OUR EXPECTATIONS FOR LAMDA

We pride ourselves on having enabled students to achieve high levels of success in examination results in the past 2 years. We intend for this excellent performance level to continue and expect all LAMDA tutors to work cooperatively and consistently to deliver what has proved to be a very successful programme, recognised by School Heads and Teachers and those leading on literacy.

**WE WOULD LOVE TO HEAR FROM YOU IF YOU ARE INTERESTED - AND WE WILL OFFER A FREE 'TASTER' WORKSHOP IN THE NEW ACADEMIC YEAR.**
