

Free to Be Parents/Carers' Questionnaire

We want to make sure that our school is a safe space where young people and families feel safe, welcome and able to achieve their best.

Over the next year, we are one of 30 primary schools in London working with EqualiTeach (www.equaliteach.co.uk) on their Free to Be Programme. The aims of this programme are to support schools to create an inclusive environment for lesbian, gay, bisexual and transgender (LGBT) pupils, families, staff and visitors and to support schools to tackle homophobic, biphobic and transphobic (HBT) bullying.

This programme is part of our wider work in creating an equal and inclusive school for everyone. In order to help us to do this, we really welcome your thoughts about how well the school is doing in promoting equality, diversity and inclusion.

This questionnaire should take about 5 minutes to complete and is completely anonymous and confidential. If you have any questions about the questionnaire please contact us.
