Dear Geraldine,

Re: Congratulations

I am writing to congratulate you on the excellent outcomes achieved by your Key Stage 2 pupils in 2019. These reflect the commitment from you and your staff to ensuring the best possible provision for pupils so that they possess the skills and confidence to succeed. It is particularly notable that you had strong progress in all subjects, which is an excellent achievement.

These outcomes demonstrate that all pupils can achieve when given the right circumstances and the best teaching. They serve as a model to other schools and are something to be celebrated with your school community.

On behalf of Hackney Learning Trust thank you for your continuing aspiration for our pupils and I wish you, your staff team and your children every success for the coming year. Please pass on my thanks and appreciation to your staff.

With best wishes,

Annie Gammon
Director of Education
