

Sir Thomas Abney After School Playcentre

What we do 😊

Our playcentre provides after school play for children from Reception upwards. This is a place where children can play, make friends and have fun under the supervision of our play team: Joanna, Jamie and Kenlyn. We have a variety of equipment available including lego, puzzles, board games, cars, dolls, dressing up and role play and much more. Children are also encouraged to take part in creative arts and craft activities. We have a quiet area filled with lots of books where children can relax and read. Once a week we change our playcentre into a cinema and we watch movies. In addition we play sports based games, Zumba and make the most of our wonderful playgrounds with a range of outdoor equipment. There is daily snack provided for all children.

What children and parents say about our Playcentre 😊

I think playcentre is fun because we can play lots of fun games like football and other games.

I think it is amazing because I have friends there and teachers are super kind. They provide us with loads of things for us to do.

I think playcentre is great because I get to play lego and draw. I also can go to the computer room and top hall, do arts and watch movies. Also we play Jenga and other games. I have a fun time here at playcentre.

It is fantastic.

The playcentre is fantastic. Staff are absolutely amazing and put so much into making it a fun environment for the children. I am very happy for my daughter to come.
